SUNDAY SCHOOL OFFICERS MEET

The officers and teachers of the Sunday school of the First Baptist church met with the new Sunday school superintendent, Mr. Transchal, Monday evening at the church. Plans were formulated whereby the Sunday school expects to increase its membership to at least 150 by September 1.

The entertainment of the evening centered around the discussion of the organization of a young married people's class. Are you going to join?

It is a real inspiration the way Mr. Transchal has taken hold of the position of Sunday school superintendent and we expect great blessings through his leadership. All young married people who wish to join this class are asked to meet at the church Friday evening, April 6, at 7 o'clock. Cars will be provided to take the couples to the home of Mr. and Mrs. Transchal, where the class will organize and enjoy a social evening.
